DETAILED ACTION

Claims

1. Claims 1-49 are pending. Claims 23-49 are withdrawn.

Withdrawal of Allowance

2. The allowance of claims 1-2 and 4-16 is hereby withdrawn in view of applicant's comments about the examiner's interpretation of "formed on" (as recited in claim 1)

Status of Rejections in 16 October 2003 Office Action

3. The 35 USC 112 rejection of claim 3, set in section 6 of the 16 October 2003 (10-16-03) office action, is withdrawn in part and maintained in part. Specifically, the rejection is withdrawn as to the terms "reground bottle scrap" and "reground trim scrap" maintained as concerns the term "natural polypropylene".

Claim Rejection - 35 USC § 102

4. The following is a quotation of the paragraph of 35 U.S.C. 102 that form the basis for the rejection thereunder made here:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

5. Claims 1-3 and 10-22 are rejected under 35 U.S.C. 102(b) as being anticipated by Fehn (US 5,693,283; published 02 December 1997).

Fehn is applied as discussed in section 8 of the 28 April 2003 office action.

Allowable Subject Matter

6. Claims 4-9 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Fehn does not show the amounts of polypropylene and fluorinated polyethylene recited in claims 4-9.

Response to Arguments/Comment re: "New" Rejection

7. Applicant's arguments with respect to claims 1-3 and 10-22 have been considered but are moot in view of the "new" ground(s) of rejection.

8. It is noted that a section 102 rejection over Fehn was made in the 28 April 2003 office action. It was withdrawn in response to applicant's arguments and the examiner's misinterpretation of "formed on". See section 9 of the 16 October 2003 office action.
